Rules of Play

1. Players start with a friendly handshake at the net and spin for serve. Winning spin chooses to serve or receive
2. Players exchange three practice rallies and one serve before immediately starting play.
3. Servers must stand behind mid-court spot and serve to opposing player. Each server is allowed only one serve which can be hit on a bounce or in the air. Served ball must land in front of opposing player's midcourt..
4. For singles, each server serves four times before rotating server. In doubles, each player serves once before team-member serves. Opposing team serves 3rd and 4th. Repeat rotation until whistle stops play.
5. Return of serve must be hit on one bounce only and play continues until either one player hits the ball outside of the court lines or into the net, or fails to hit the ball on one bounce or as a volley
6. Players call their own lines for their side of court and shake hands at the net after final whistle is blown to stop play
7. Players report scores to MyServe League Official upon blown whistle
